

Hello ECS Families,

With holidays rapidly approaching us, it's really hard to think about enjoying the season without thinking of others. Especially with recent economic downturns, many families in our community desperately need our help. You know, it doesn't take much to make meaning contributions when we collectively pitch in to help. Here are the details about how ECS has decided to implement the holiday food drive for this year.

Starting Wednesday, 11/04/09 (4:00 pm), until end of the year, we will have a box placed inside the cubbyhole for anyone to drop off non perishable food items. The box will be kept in the pool classroom while the team is not practicing, so as not to crowd the space. Coach Len has volunteered to take the donated goods on every Friday and drop them off to Sharing and Caring of Fort Walton Beach. We may also extend the donation to another organization that's in need in the future.

That's it – it's that simple! Let's show what ECS is all about. We're not just the hardest working team but we have compassion and committed to our community.

Go ECS!!!

Thank you.
Mikko Hackler
